BELLA'S DINNER CHECKLIST

___ Appetizers

It commonly takes groups anywhere from 10-30 minutes for the entire party to arrive at Bella's. We suggest you serve a couple appetizer platters during this time. The idea is to give your guests **1)** something to do until the hosts arrive and **2)** give them a little sampling to satisfy any cravings without filling them up prior to the meal. We suggest one to two appetizers per table that are easy to share.

___ Bar

Do you plan on serving alcohol at your event dinner? The three most common bar sets-ups are:

1. Open Bar - The host pays for the entire bar bill; Fountain Drinks, coffees, teas, lemonade, wines, beers, & liquor.
2. Limited Bar - The host pays for all soft drinks, and select beer & wines while a cash bar is available for mixed drinks and additional wines.
3. Cash Bar - The host pays for soft drinks (sodas, coffee, teas, lemondess) and guests pay for all their alcoholic or specialty drinks.

___ Entrees

Depending on the number of guests, you may choose to prepare a limited menu, a preselected menu, or a buffet.

1. Limited Menu - A limited menu includes a header with the Bride and Groom's name, company logo, or family name, the events date, and up to 6 menu items. A limited menu allows the host to choose entrees their guests will enjoy and allows you to control the price per entree.
2. Pre-set Menu - Guests will have a preselected menu that the host will choose. Notes about the bar choice and desserts options can be mentioned on these menus as well.
3. Buffet - The host will pre-select a limited menu. The day of the event guests will walk through a buffet line and either self-serve or our staff will plate each menu item for the guests.

___ Desserts

Bella's has a pastry chef on staff to prepare award-winning desserts for your guests. There are several options for desserts as well!

1. Full Dessert Menu - You may choose to show your guests the entire dessert tray! Options include: Award winning Carrot Cake, Chocolate Marble Cheesecake, Peanut Butter Pie, Tiramisu, or Cannoli's.
2. Limited Dessert Options - You'll have the option to limit the choices as well! Pick between 1 - 3 dessert options for your guests to enjoy at the end of their meal.
3. Pre-set Dessert - The last option is to have 1 preselected dessert that all the guests get to enjoy. An excellent option to eliminate too many choices and be able to control the budget.

Enjoy Your Guests, Let Bella's Do the Rest!
